To Whom It May Concern,

I am pleased to share this letter of reference for Patti Dallas. Patti is a regular presenter for the Greene County Council on Aging, sharing her talents with older adults throughout Greene County Ohio.

We have contracted with Patti to present "Living Your Legend" at several of our area senior centers and each experience has been met with positive reaction and interest in having Patti return. Our next program with Patti is set for mid-October in the rural community of Jamestown.

Patti incorporates her love of older adults, sharing of memories and stories, and music into her work – which in reality is her passion. Her kind and attentive approach with the diverse groups with whom we have connected her has been the key to the success of our programs.

We have also worked with Patti on several other projects, including a very special Elder Panel which she videotaped. This is just another talent Patti has to share.

I encourage you to partner with Patti on any number of programs you are considering for the older adults in your area. And if I can answer any questions and/or share additional information, please don't hesitate to contact me.

Respectfully,

Karen Puterbaugh
